Hi Folks,

Well we are in Florida right now and just finished the Venice Coin Club Show. While it is a very small show, probably the smallest we have done in many years. It is a very pleasant venue and well run by a group of friendly collectors and dealers. They are to be commended on their work with the Scouts and young collectors.

This coming Thursday Joanie will be driving me and friend Captain Dave over to Fort Lauderdale where we will get on board our boat and return it to Cape Coral a long 3 days sailing. It will then be right behind our house, <http://rentalo.com/22278/waterfallhouse.html> it is a vacation rental when we are not there.

On Monday we will fly to California for the Long Beach Expo, unfortunately that means we will not be at Collectorama in Lakeland Florida because of the conflict between the two. After Long Beach we go back to NY for 3 days and then down to Florida for the Sarasota Show on the 23rd. Sarasota ends on the 26th which is the anniversary of Joan's 39th birthday. So we will drive to Brentwood, TN to visit with our 4 granddaughters for 3 days before we go to the Chattanooga TNS Show. After TNS we will drive back to Florida and for 2 days visit old friends near Tampa before we setup at The ANA National Money Show in Orlando. After the show on the 11th we will fly from Orlando to NY and work at the office (will seem like a vacation) until we fly to Nashville on the 17th to help Christina drive our 4 granddaughter's down to Florida for spring break. Mark will be at a medical conference and join us later in the week.

On the 27th of March we fly back to NY to get ready for the Baltimore Expo and on it goes.

It has been a while since our last Sampler with all new coins and this one has a pretty powerful selection of interesting items including the largest group of the ever popular \$500 and \$1000 dollar bills that we have ever listed. We also have a nice very rare 1873 DDO cent, a hoard of certified San Francisco mint Indians, several Draped Bust Dimes and a Half Dime plus a strong selection of US Gold including over 1/2 dozen \$3 Indian Princess and a Very Rare "Fat Head" Quarter Eagle. Plus a good selection of Morgan Dollars including 7 certified 1881CC's and 2-1893S.

LIST 302, February 2017

*Happy Collecting
Harry*
