Hi Folks,

So, Randy and I got back safely from Berlin and it was a refreshing break. I was able to hit the ground running and with lots of deals coming in able to put this list together in an almost timely manner. Personally, I like the selection. There is a great group of both three cent Nickel pieces and three cent silvers or trimes. Many of these dates are coins rarely seen in any grade. We have our usual selection of higher grade and better date Barber coinage. There are many key dates issues such as 3-1909-S VDB's and a left leaning Buffalo (3-legged). Also we have many interesting early type coins along with 10 or more early Dollars and over 30 different US Gold issues. There is an interesting 1911-D \$21/2 Indian in an old ANACS certified holder graded VG8. This is most likely the lowest ever graded for the date. Central detail is worn as expected, the date and mint-mark are bold. In fact, the "D" is as strong as any AU I have seen. In 60 years after handling countless coins I have never seen one like it and at least a dozen dealer friends that I showed it too have not either. In fact, half of them wanted to buy it.

Our Christmas in February sale was very good and kept the munchkins very busy..... Joan thanks you ☺!

Our new website is about to go live, and we will probably do a more formal launch in early April. Right now, it will quietly go live soon, and we will let it be tested by any brave soul who cares to try it out.

On the 21st we head to Baltimore for the Whitman Expo and right after we unpack from the show, we will fly to Florida. During Holy Week our four Granddaughters will visit along with Christina and Mark. On Good Friday "Kieran" arrives with Mom and Dad and the trouble starts. You see four "little women" is a lot but add Kieran and it is like a herd of wild boar! Unfortunately, their visits only overlap for two days. When Rachel and AL bring Kieran our son Tim and fiancée Mary Susan will join them for Easter Week. They return to Long Island on Friday and we will head up to the Georgia Numismatic association show four days later. Then back to NY for a few days before the Bay State Show.

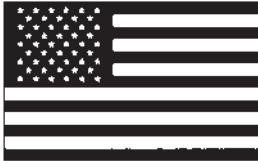

LIST 309, March-April 2018

Happy Collecting
